**July 5, 2011**

**AMBYTH SHIPPING & TRADING, INC. receives HUBZone Certification from SBA**

Tamuning, Guam, June 30, 2011: AMBYTH SHIPPING & TRADING, INC. has obtained U.S. Small Business Administration HUBZone Certification effective June 30, 2011. AMBYTH's Federal HUBZone designation will allow AMBYTH to better serve the needs and contracting requirements of the Federal market place. The HUBZone program provides federal contracting opportunities for small business concerns located in economically distressed urban and rural communities.

**HUBZone firms are eligible for a wide variety of contracting opportunities.**

- A competitive HUBZone contract can be awarded if the contracting officer has a reasonable expectation that at least two qualified HUBZone small businesses will submit offers and that the contract can be awarded at a fair market price.
- A sole-source HUBZone contract can be awarded if the contracting officer deems that one qualified HUBZone small business is responsible to perform the contract.
- Two or more qualified HUBZone small businesses will submit offers, and the anticipated contract price, including options, cannot exceed \$5 million for manufacturing requirements or \$3 million for all other requirements.
- A full and open competition contract can be awarded with a price evaluation preference. The offer of the HUBZone small business must not be more than 10 percent higher than the offer of non-HUBZone small business or non-small business. All subcontracting plans for large business federal contractors must include a HUBZone subcontracting goal.
